

Help Trumbull New Theatre Usher in New Seating

Trumbull New Theatre is celebrating the 60th anniversary of our building this year. Our seats have served us well for nearly 40 of those years. However, as many of you have noted, it's time to replace them. They are cracked, broken and just plain uncomfortable. The New Seating Committee has worked diligently with Irwin Seating to choose new comfortable seats. They will be wider with Comfort Curved armrests. Five of these armrests will lift in compliance with the ADA laws. In addition, we hope to replace the lighting and the carpet on the steps.

The Wo/Men's Committee has taken on the task of raising money for this project. We have a start since our sign project was covered by an endowment to the theatre. But we need your help. We have determined that the cost of one seat is \$200. We will gratefully accept any donation given us but we have added an incentive.

If you donate at the:

Main Actor or \$200 and up level you will receive 4 comp tickets, a name plate for the armrest and mention in the playbill.

Co-star Actor or \$100 level you will receive 2 comp tickets and mention in the playbill.

Supporting Players donations will be mentioned in the playbill.

You are cordially invited to complete the donor card and send it with your check, payable to Trumbull New Theatre, 5883 Youngstown-Warren Road, Niles, Ohio 44446. We are 501(c)3 nonprofit and your donation might be tax deductible.
